

Location Manager

Den Berk Délice

Den Berk Délice is a leading specialist in top quality flavored tomatoes. Spread across 9 production locations, it grows and markets tomatoes with a keen eye for quality, partnership, flexibility and sustainability. For and by people. A motivated team of more than 800 people works daily to achieve our mission: to enable consumers to enjoy the tastiest taste tomatoes 365 days a year.

Den Berk Délice continues to grow and wants to strengthen its motivated team with a: **Location Manager**

Responsibilities:

- Responsible for the plans and results regarding cultivation, labor, energy, and technology at the cultivation sites Den Horst and Truyenberg in Merksplas.
- Drafting an annual plan and objectives in line with the strategic choices and growth ambitions of Den Berk Délice, and in coordination with other Location Managers and cultivation sites.
- Managing the local teams of Den Horst and Truyenberg, totaling approximately 30 permanent employees and up to 700 seasonal workers.
- Achieving financial targets, KPIs, and projects in accordance with the annual plan and objectives; monitoring developments and making adjustments as necessary.
- Fostering a culture of open communication, collaboration, and continuous improvement.
- Organizing and participating in regular meetings with the own teams, other Location Managers, other functional disciplines, and external stakeholders.
- Participating in the Management Team, which includes not only Location Managers but also functional areas such as Sales & Marketing, HR, Finance & IT, SHEQ, Cultivation & Biology, and Energy Management.
- Reporting to the Managing Director.

What can you expect from us?

- You'll be working in a company with an informal atmosphere, collaborating with motivated colleagues who strive to be the best in tomato production and distribution every day.
- You will have the opportunity for continuous learning and development, both professionally and personally.
- Den Berk Délice has established a strong position through years of innovation, research, and marketing in a highly significant and growing category within the retail sector. This position enables partnership and meaningful discussions at all levels with the customer.
- Of course, this position comes with an attractive salary package, supplemented with a company car and other fringe benefits.

Profile:

- Hbo/wo education, for example, in an agricultural, technical, or business-related field.
- Relevant operations and/or location management experience, preferably in the agrifood sector and ideally in the fresh produce industry. Has an affinity with the entire business chain from grower to retailer and is familiar with relevant issues at cultivation sites or can quickly familiarize oneself with them.
- Excellent people manager with organizational and communication skills in leading, inspiring, and connecting people and teams.
- Fits into the culture of a growing and dynamic organization where hard work is valued, and there is also attention to personal development and growth. Personal characteristics: organized, structured, entrepreneurial, goal-oriented, innovative, collaborative, solution-oriented, and hands-on mentality.
