

Cultivation Manager

You will be responsible for achieving an ideal environment and conditions that enable plant growth and optimal production of tomatoes in the short and long term.

Den Berk Délice

Den Berk Délice is a leading specialist in top quality flavored tomatoes. Spread across 9 production locations, it grows and markets tomatoes with a keen eye for quality, partnership, flexibility and sustainability. For and by people. A motivated team of more than 700 people works daily to achieve our mission: to enable consumers to enjoy the tastiest taste tomatoes 365 days a year.

Den Berk Délice continues to grow and wants to strengthen its motivated team with a: **Cultivation Manager**

What can you expect from us?

- Full-time position
- Valued role in a young, dynamic team
- Training, coaching and support
- Varied challenge in a fast-growing company
- Attractive salary package in line with your experience, education level and knowledge.

Responsibilities:

- You realize an ideal growing environment for the tomato plants by making optimal use of the technology in the greenhouse.
- By collecting, analyzing and evaluating data, you know how to make the right daily adjustments that lead to optimization.
- You ensure integrated crop protection and organize scouting for diseases, pests and nutritious plants.
- You cooperate and coordinate daily with your colleagues in labor and energy. Together you strive for sustainable returns for the energy and labor employed.
- You lead a team of 2-5 people.

Profile:

- You work with an analytical and farsighted approach.
- You actively seek optimization and you love innovation and development.
- You have a passion for working with nature.
- You have a background in sciences or engineering studies (e.g. bio-engineer, industrial engineer, biology,...).
