

Team Leader Harvest

Den Berk Délice

Den Berk Délice is a leading specialist in top quality flavored tomatoes. Spread across 9 production locations, it grows and markets tomatoes with a keen eye for quality, partnership, flexibility and sustainability. For and by people. A motivated team of more than 800 people works daily to achieve our mission: to enable consumers to enjoy the tastiest taste tomatoes 365 days a year.

Den Berk Délice continues to grow and wants to strengthen its motivated team with a: **Team Leader Harvest.**

What can you expect from us?

- Full-time position
- Valued role in a young, dynamic team
- Training, coaching and support
- Varied challenges in a fast growing company
- Attractive salary package in line with your experience, education level and knowledge.

Responsibilities:

- You will be co-responsible for the day-to-day management at 1 of our production sites. Within a team of team leaders and cultivation managers, you will be responsible for organizing the harvesting of our tomatoes.
- You will be in charge of 20-40 people and report personally to the Labor Manager.
Your duties will include:
 - training and monitoring new and existing staff,
 - monitoring the quality of work and productivity of your employees,
 - optimizing our labor processes,
 - drawing up and adjusting the work planning.
- You have a lot of contact with our sales and quality department. You ensure that your team achieves the objectives regarding sales and quality.
- You complete your tasks with the support of your assistants. As a cooperating foreman, they are your right hand.
- You will also be initiated in the present automation, the energy installations and the cultivation control, so that you will be able to cope with the absence of your colleagues.

Profile:

- You have strong organizational skills and can fulfill your tasks independently.
- You are flexible and correct and you are a real team player.
- You are quality oriented and have an eye for detail.
- You actively look for optimizations.
- Candidates with a higher education (bachelor/ master), a strong affinity with agriculture or horticulture or managerial experience are eligible.
